The document's target audience is the Prof. Ma. Rowena C. Solamo and the developers of the project, CoUPon.

Revision Control

History Revision:

Revision Date	Person Responsible	Version Number	Modification
10/09/17	Comia, Camille T.	1.0	Initial Document;

Use-Case Name: 2.3 Deleting organization's profile
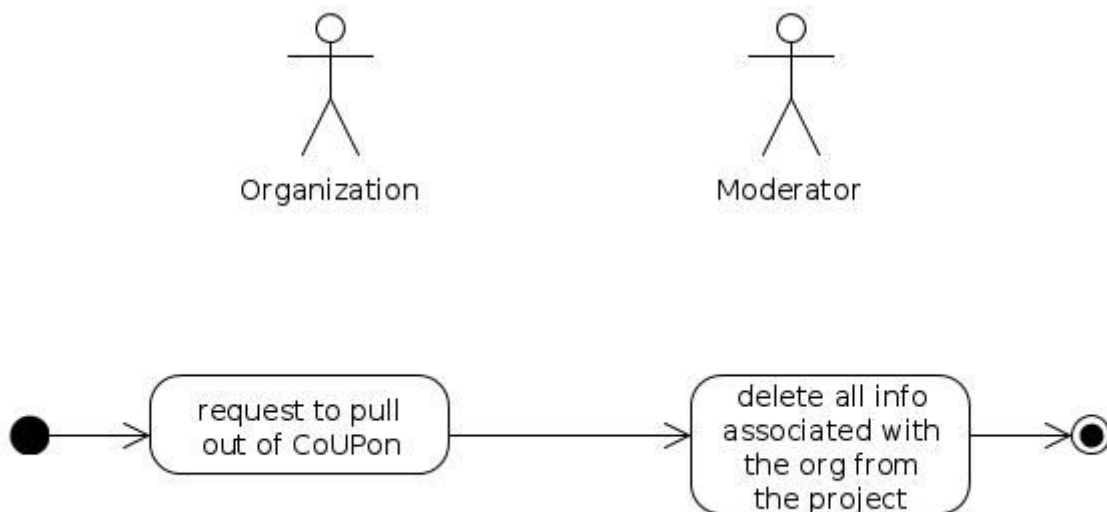

Description: Use case 2.3 is the last out the three extensions of Use Case 2.0: Maintain
                       Organization Profile. It describes in detail the flow of events and the functionalities
                       involved in deleting an organization's profile.

Preconditions: Organization must send a request to the moderators to delete their organization
                       profile.

Flow of Events:

Scenario Name	Description
Scenario 1 (Basic Flow) Moderator modifies the organization profile	1. Organization requests to pull out their profile from CoUPon. 2. Moderator will delete all information from the project, including the database and application form.

Activity Diagram of the Flow of Events:

Postcondition: NONE

Relationships: This is an extension of Use Case 2.0: Maintain Website

Special Requirements: NONE
